The authority shall further have power from time to time and whenever it deems refunding expedient, to refund any hotel revenue bonds by the issuance of new hotel revenue bonds, whether the bonds to be refunded have or have not matured, and may issue bonds partly to refund bonds then outstanding and partly for any other purpose hereinabove described. Hotel revenue bonds of the authority shall be revenue obligations payable from and secured solely by hotel revenues as the authority determines are available therefor and upon such terms and conditions as specified by the authority in the resolution under which the bonds are issued.

2. Bonds issued by the authority may be general obligations secured by the faith and credit of the authority or may be special obligations payable solely out of particular revenues or other monies as may be designated in the proceedings of the authority under which the bonds shall be authorized to be issued, subject as to priority only to any agreements with the holders of outstanding bonds pledging any particular property, revenues or monies. The authority may also enter into loan agreements, lines of credit and other security agreements and obtain for or on its behalf letters of credit, insurance, guarantees or other credit enhancements to the extent now or hereafter available, in each case for securing its bonds or to provide direct payment of any costs which the authority is authorized to pay.

3. (a) Bonds shall be authorized by resolution of the authority, be in such denominations and bear such date or dates and mature at such time or times, as such resolution may provide, provided that bonds and renewals thereof shall mature within thirty years from the date of original issuance of any such bonds. Any and all such resolutions shall require at least six affirmative votes of the board for passage. Any such resolution may delegate to an officer or committee of the authority, and any such committee may delegate to an officer, the power to issue such bonds from time to time and to fix the details of any such issues of bonds by an appropriate certificate of such authorized officer.

(b) Bonds shall be subject to such terms of redemption, bear interest at such rate or rates, be payable at such times, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in such medium of payment at such place or places, and be subject to such terms and conditions as such resolution may provide. Notwithstanding any other provision of law, the bonds of the authority issued pursuant to this section shall be sold to the bidder offering the lowest true interest cost, taking into consideration any premium or discount not less than four nor more than fifteen days, Sunday excepted, after a notice of such sale has been published at least once in a newspaper of general circulation in the area served by the authority, which shall state the terms of the sale. The terms of the sale may not change unless notice of such change is published in such newspaper at least one day prior to the date of the sale as set forth in the original notice of sale. Advertisements shall contain a provision to the effect that the authority, in its discretion, may reject any or all bids made pursuant to such advertisements, and in the event of such rejection, the authority is authorized to negotiate a private or public sale or readvertise for bids in the form and manner above described as many times as, in its judgment, may be necessary to effect satisfactory sale.

(c) Notwithstanding the provisions of paragraph (b) of this subdivision, whenever in the judgment of the authority the interests of the authority will be served thereby, the members of the authority, on the written recommendation of the chairperson may authorize the sale of such bonds at private or public sale on a negotiated basis or on either a competitive or negotiated basis. The authority shall set guidelines governing the terms and conditions of any such private or public sales. The private or public bond sale guidelines set by the authority shall include, but not be limited to, a requirement that where the interests of the authority will be served by a private or public sale of bonds, the authority shall select underwriters taking into account, among other things, qualifications of underwriters as to experience, their ability to structure and sell authority bond issues, anticipated costs to the authority, the prior experience of the authority with the firm, if any, the capitalization of such firms, participation of qualified minority and women-owned
